

The Fort Street High School
Environmental Council

Meeting Minutes

Date	Wednesday 29 June 2011
Meeting	14-2011
Attendance	Yr10s, Yr9s
Duration	45 minutes

First Topic: Field of Mars Youth EnviroForm 2011

- ◆ Ideas brought back from forum:
 - ▶ Ban plastic bottles (idea from Monte Sant' Angelo & NSBHS)
 - ▶ Build a greenhouse for biology studies
 - ▶ SYCAN (Sydney Youth Climate Action Network)
 - ❖ Similar to AYCC
 - ❖ Network of schools; very "close-knit"
 - ❖ For environmental advice
 - ❖ Could hold forums, have special speakers

Second Topic: Co-Mingled Recycling Program

- ◆ Should start program again
- ◆ Gain final approval from Moxham
- ◆ Need to find centre to dispose of cans
 - ▶ Marrickville Council
 - ▶ Visy Recycling (set up temporary system)
- ◆ Should get this program approved before anything else new

Third Topic: Valley Regeneration

- ◆ Build on the current Bush Regeneration Program
- ◆ Make Valley similar to Macquarie Uni Arboretum
 - ▶ A collection of different species of trees planted for future study by students in all subjects
- ◆ Deciding whether to fence off or place signage for students to keep out for trees to grow
- ◆ Should also try fixing drainage issue of Oval/Valley

Published Saturday 02 July 2011.
Minutes compiled by William Vu, SEC President.
